Pricing Sheet ²⁰¹⁷ ~~2016~~ - effective 1/1/17

Private suites \$4400-\$6500 depending upon residents level of care
\$3800-\$5200 depending upon residents level of care

Shared suite

Level 1- Ambulatory - This resident is able to perform all functions of daily living they just need to be observed and assisted as needed. Medication management and some incontinence. (*\$4400 private*) (*\$3800 shared*)

Level 2-Walker some wheelchair - This resident is in transition from being ambulatory to non-ambulatory. Usually in denial this resident is becoming a risk for fall and self- injury. Requires caregiver assistance with meal preparation, dressing, bathing and medication management. Some incontinence but not a big issue. (*\$4800 private*) (*\$4200 shared*)

Level 3- Diabetic and Wheelchair-some bedridden - This resident has special diabetic needs or has deteriorated to the point that they require caregivers to watch their every move to prevent injury. Still able to get around, but very unstable and a risk for falls or injury. They can still feed themselves but have physical limitations, may be on oxygen and require assistance with all other aspects of daily living and medication management. (*\$5200 private*) (*\$4600 shared*)

Level 4 - Total Care - This resident has entered the final stage of life and may be on hospice. Usually bedridden this resident requires caregiver's assistance with all aspects of daily living. (*\$5600 private*) (*\$5000 shared*)

Prices are not guaranteed to stay the same and may change due to legislation/law changes that are outside of our control. Some residents require care not listed above and additional fees may be charged for care not outlined above. Families will be notified of any rate changes per Title 22.

Attachment to admission agreement #9

PRE ADMISSION - MAINTENANCE FEE

There is a one time, pre admission fee due upon admission to the facility. This fee is a refundable fee (see page 7) that covers all pre-admission paperwork, appraisal, room set up, medicine set up and facility maintenance. The fee is 100% of the monthly fee and is due when resident occupies the room. Occupancy is defined as the resident/and/or the residents belongings being moved into the room.

By signing below, the responsible party acknowledges that this pre-admission fee has been explained to them and they agree to the terms of this fee.

Monthly rate = _____
X 100%
